TECHNOLOGIES

DOMESTIC SHIPPING INSTRUCTIONS

Revised February 1, 2019

The following supplier routing instructions are to be adhered to when EaglePicher® Technologies is responsible for the freight charges. These instructions supersede all previous instructions, either written or verbal, unless other instructions are expressly noted on EaglePicher's Purchase Order. EaglePicher reserves the right to debit Supplier's Account for all excess and administrative costs incurred through supplier's failure to comply with these instructions.

EaglePicher Purchase Order Number(s) must be referenced in the "Shipper Reference" or "Billing Reference" area of all bills of lading, air bills and on all shipping labels, packing lists and invoices. No prepaid and adding of freight, pickup or handling charges of any kind will be paid or allowed on Supplier's Invoice unless expressly called out on the EaglePicher Purchase Order.

Shipping by other than what is specifically stated in the Purchase Order (i.e. different carrier or service level such as: air versus ground or next day versus 2nd day) must be approved by EaglePicher Purchasing Department **ONLY**.
